Consequent on the reversion to the policy of controls, the Government have ordered the re-introduction of intensive procurement and informal rationing in the South Kanara district. For attending to this work, the Board of Revenue (C.S.) has proposed the employment of the following staff from the date of employment upto 31-3-49.

M onp 3 cf.

(i) Two Taluk Supply Officers.
(ii) Sixteen Firka Supply Officers.
(iii) Eighteen peons.
(iv) One Upper division clerk
(v) One lower division clerk.

xx 2 M p4 cf.

It has also proposed the conversion of the post of Reception Deputy Tahsildar which is now in the grade of a Deputy Tahsildar into that of a Tahsildar and ~~that~~ the retention of the converted post ~~may be continued~~ upto 31-3-49.

2 The additional staff proposed by the Board is below the strength of staff employed for procurement work in the South Kanara district during the peak period of procurement in 1947. It is proposed to sanction the proposals of the Board. The Finance Department have accepted the proposal. The cost of the staff works out to Rs.2935/pm or Rs.15,000 for five months roughly. As the cost exceeds the limit of Rs.5,000/- p.a. the case should normally be placed before the Standing and Finance Committee and the orders of Cabinet obtained. But as the proposal in effect amounts only to the revival of staff previously employed for the work and disbanded consequent on decontrol, Finance have stated that the proposal need not be placed before the Standing Finance Committee but that H.M.(Fin) may see. The case may be circulated to H.M.(Food) and H.M.(Finance) for approval.

Abstract.

ESTABLISHMENT -- South Kanara district - Reintroduction of intensive Procurement - Additional staff - sanction - requested.

pp 5-6 below Read: Letter No.20194/A5/48 dated 2.10.48 from the Collector of South Kanara.

Submitted to the Government.

2. In his letter read above, the Collector of South Kanara has submitted the following proposals, consequent on the reintroduction of intensive procurement in the South Kanara district.

i) Appointment of additional staff of 2 Taluk Supply Officers (Deputy Tahsildar's Grade), 16 Firka Supply Officers and 18 peons, 1 Upper division clerk and 1 Lower division clerk for District Supply Officer's office.

ii) Conversion of the existing three posts of Assistant Taluk Supply Officers of Mangalore, Puttur and Kasargod into those of Taluk Supply Officers of Tahsildar's grade; and

iii) conversion of the existing post of the Reception Deputy Tahsildar into that of Tahsildar's grade.

The Board has carefully examined the above proposals and it considers that proposals (i) and (iii) should be accepted as the Collector requires only the revival of the posts which were in existance prior to de-control in 1947. As regards the conversion of the three posts of Assistant Taluk Supply Officers in the Deputy Tahsildar's grade into those of Tahsildar's grade, the Board considers that, as the conversion of the posts of Taluk Supply Officers in the Tahsildar's grade into those of Deputy Tahsildar's grade was effected as a general policy as early as July, 47 even when the controls were in existance, and as the Taluk Supply Officers in other districts are only in the grade of Deputy Tahsildars, it is not necessary to restore the status-quo- ante, in respect of the South Kanara district alone. The Collector's proposal in this regard is therefore not recommended.

3. In the circumstances explained above, the Board requests that sanction may be accorded for the employment of the following additional staff from date of appointment till 31.3.49 or till the need ceases whichever is earlier for procurement work in the South Kanara district.

Additional Staff.

2 Taluq Supply Officers (in the grade of Deputy Tahsildars).
16 Firka Supply Officers (Lower division clerks).
18 Peons (1 for each addl. Taluk Supply Officers and Firka Supply Officers).
1 Upper division clerk
1 Lower division clerk } For District Supply Officer's office.

P.T.O.

The Board also requests that the post of the Reception Deputy Tahsildar in the District, for the retention upto 31.12.48 of which has been applied in Board's ref.F.II.109515-48 dated 28.9.48, may be converted into that of Reception Tahsildar and sanctions accorded till 31.3.49.

The Board has already permitted the Collector to appoint the additional staff mentioned in para 3 above in anticipation of sanction. This may also be approved.

5. The expenditure may be debited to "63.Extraordinary charges- a. Charges in India- D. Establishment for Price-control-1 Board of Revenue".

URGENT.

Ref.C.No. 20194/W5/48.

S.Kanara Collector's Office,
Mangalore, 2nd October 1948.

From

S.R.Kaiwar Esq.,M.A.,I.C.S.,
Collector of South Kanara.

To

The Secretary to the Commissioner of Civil Supplies,
Board of Revenue (Civil Supplies),
Madras.

Sir,

Procurement - South Kanara Dt. - 1948-49 - Reintroduction of intensive procurement with immediate effect throughout the dt. - additional staff - sanction - requested.

Ref:- Board's telegram No.1120/U-II/48-1 dated 1.10.48.

I have issued detailed instructions to the subordinates to prepare the procurement registers expeditiously and to commence intensive procurement without the least delay.

2. I have also, in anticipation of Government sanction, directed the Revenue Divisional Officers to appoint 16 additional Firka Supply Officers in the district to make up the total of 28 Firka Supply Officers at the rate of one for each firka. Just at present there are only 12 Firka Supply Officers a few having been retrenched recently in consequence of the closure of a good many relief shops on account of the harvest of the first crop. Appointment of the additional Firka Supply Officers in anticipation of sanction has been necessitated in view of the harvest of the first crop which is going on briskly throughout the district and in some places almost completed and intensive procurement reintroduced.

3. There are now 7 Asst.Taluk Supply Officers of the Dy. Tahsildars' Grade, one for each of the 6 taluks and one for Hosdrug Sub-taluk. Till August 1947 when intensive procurement was in force in this district, there were 5 Taluk Supply Officers of the Tahsildars' Grade for the five major taluks of Mangalore, Kasaragod, Puttur, Karkal and Udipi and 4 Asst.Taluk Supply Officers of the Dy.Tahsildars' Grade, one for the minor taluk of Coondapur and one for each of the Sub-taluks of Hosdrug, Buntwal and Beltangady. The same staff will no doubt be required on account of the reintroduction of the intensive procurement scheme in the district but, as the subordinates here have got a fairly good experience of procurement work, it would suffice if the two surplus and extensive taluks

of Mangalore and Puttur and the most difficult taluk of Kasaragod are given a Taluk Supply Officer of the grade of a Tahsildar. At present these taluks are manned by Asst. Taluk Supply Officers of the Deputy Tahsildars' grade. The other three taluks of Coondapur, Udipi and Karkal and Hosdrug Subtaluk have already an Asst.Taluk Supply Officer each of the Dy.Tahsildars' Grade. The sub-taluks of Buntwal and Beltangady require Asst.Taluk Supply Officers of the Deputy Tahsildars' grade as there were such officers in these sub-taluks prior to decontrol. I therefore strongly recommend the conversion of the posts of the three Asst.Taluk Supply Officers of Mangalore, Puttur and Kasaragod into those of Taluk Supply Officers of the Tahsildars' grade and the appointment of two additional Asst. Taluk Supply Officers of the Deputy Tahsildar's grade for Buntwal and Beltangady sub-taluks which are surplus areas.

4. Prior to decontrol there was a post of a Reception Tahsildar for the district which was converted into that of a Reception Deputy Tahsildar from February 43. In view of the intensive procurement and the consequent increase of work regarding movements etc., it is desirable to have an officer of the rank of a Tahsildar for this post.

5. Recently in view of the decontrol, one upper division Head Clerk on the procurement side of the Dt.Supply Office and one lower division clerk were retrenched by the Board. These posts may be restored urgently.

6. In view of the additional staff for which sanction is applied for, 16 peons to work under 16 additional Firka Supply Officers, two peons to work under the two additional Asst.Taluk Supply Officers may also be sanctioned.

7. It will be very advantageous if I am permitted to appoint the additional staff now applied for in anticipation of Government sanction.

2. Consequent on the reintroduction of the Scheme of intensive procurement of foodgrains in the South Kanara district, the Collector has reported that the necessity for the employment of additional staff has arisen. He has accordingly proposed the employment of the following additional staff for procurement work in the district.

1) 2 Taluk Supply officers (in the grade of Dy Tahrs)
2) 16 Firka Supply officers

He has also proposed the conversion of the existing 3 posts of ASh T Sos at Mangalore, Bantwal and Kasargod, in the Grade, which are (cost of the) the Reception Dy Tahsildar, in the grade of a Dy Taher into Posts of Taheildars grade. The Board agrees with the Collector, and has recommended

the sanction of the additional staff detailed at A and above as regards the conversion of the posts referred to at B and above into Tahsildar's grade, the Board considers, that it is enough at the present stage to convert one post of the Reception Officer into that of a Tahsildar, and that there is no need to convert the other 3 posts of ASSTSOs into Tahsildars grade. It has also recommended that the retention of the converted post of the Reception Tahsildar may be sanctioned upto 31.3.49.

3 The additional staff now proposed is below the strength of the staff employed for procurement work in the South Kanara district during the peak period during control in 1947. In the circumstances reported to the Collector's proposals as modified by the Board may be accepted and the additional staff sanctioned upto 31.3.49. Subject to orders, a draft order sanctioning the Board's proposals is submitted below.
